DWP has experienced a huge increase in claims and our phone lines have been extremely busy as a result. We have taken urgent action to boost capacity, by moving large numbers of existing staff to help our front line colleagues, and we’re recruiting more.

New claims to Universal Credit should be done online where possible. Customers do not need to call DWP to arrange an appointment and they shouldn’t attend the jobcentre.

People making new claims for Universal Credit no longer need to call DWP as part of the process. Instead, a bolstered team are calling claimants back if they need to check any of the information provided as part of the claim. This change has been in effect since 9 April. It should free up phone lines for those unable to claim online.

All of this will mean our staff can make more calls, ensure claims are progressed as quickly as possible and get much needed support to those who need it.

Within Essex, many of the Disability Employer Advisors, Employer Advisers and Team Leaders have been redeployed. We have a central in-box for current enquiries which is being regularly monitored. If you have any queries, you can direct them to EMPLOYER.SERVICEESSEX@DWP.GSI.GOV.UK.
