

# WELCOME to your Vine Passport.

Dear Parents and Carers,

We are all part of one family; the Vine Schools Trust and we are proud of all the learning you do. We would like to encourage every child to live life in all its fullness. Therefore, we are launching an exciting, new Vine Schools challenge. We hope this will be something you can complete, across the academic year with your family and friends!

Every child, who attends one of our Vine schools, will receive a Vine Passport. This Vine Passport will give every child the opportunity to challenge themselves, to broaden their horizons and to increase their life experiences. There is a total of 40 challenges as you travel around your Vine Schools Passport. There is no rush to complete it all at once; indulge yourself in the challenges and enjoy!

**On the Vine Passport, you will see that there are 8 Zones;**

1. Art, Craft and Theatre
2. Cooking and Baking
3. Healthy Living
4. World around me
5. Hopes, Dreams and Goals
6. Spirituality
7. Science and Technology
8. Community

Within each Zone, there are 5 separate challenges. You will need to complete all 5 challenges to achieve the Zone. Once you have achieved all the challenges in each zone, this zone is completed and you will earn a Zone badge!

Each half term, teachers will check your Vine Passports and present the Zone Badges. These achievements will then be shared with the Vine Schools Trust, and you could end up featuring in our half termly Passport Newsletter!

If you feel you have achieved one of the challenges, you will need to show this to your teacher so that they can give you the sticker to mark it off. You might bring in a piece of work, a photo or share something *via Class Dojo* (or whichever platform your school uses) for example.

We can not wait to see all the fun learning and exploring you have been doing!

Kind regards,

Mrs Wigmore,  
CEO,

Miss Fairhead  
KS1 SLE

Mrs Lonsdale  
KS2 SLE

# to your **Vine** Passport.

Your goal, over the academic year, is to complete your Vine Passport!  
Travel around each zone and try to complete as many challenges as you can. Share your challenges with your class teacher who will tick them off.

Once you have achieved all the challenges in a zone, you will earn a Zone badge!
