### **INTERNET ACCESS**

As part of the school's ICT programme, we offer pupils supervised access to the Internet. In order to reduce the risk of accidentally accessing inappropriate material, the school uses Essex's proxy servers for education establishments and we also control access to some sites locally that we deem inappropriate/undesirable sites for our pupils; however, no system is fool-proof. We require your written permission for your child to have access to the Internet.

*I give permission for my child to use the Internet at school and the school will take all reasonable precautions to ensure that my child does not gain access to inappropriate material. I agree that the school cannot be held responsible for the nature or content of material accessed and is not liable for any damages arising from the use of the internet.*
