

## Latchingdon Messy Church

### Half Term Activities

We haven't forgotten you – we have been busy planning how to bring Messy Church to you in a new way.

During the week of half term we would like families to paint pebbles in their own homes and put a word in the design that means something to you (either hidden or in full view on your pebble design) and place them by the porch at Christ Church Latchingdon.

We will place the pebbles in the church grounds in the shape of a cross and plant bulbs. In the spring the cross will come to life with beautiful flowers for everyone to see. Anyone can join this event so pass the word on to your friends and neighbours.

We also have a Christmas activity planned so watch out for news very soon ..... Stay Safe !
