

Accessing **DB Primary** from XBox or Playstation

Children are able to use an XBox or Playstation games console instead of a laptop or tablet to access **DB Primary**.

You can do this on the following devices: Xbox One, Xbox Series S, Xbox Series X, PlayStation 4, PlayStation 4 Pro or PlayStation 5.

You will just need a USB Keyboard to plug into that device to enable this function. It just needs to be a working USB Keyboard.
