

We would like you to take part in an exciting competition to celebrate our brand-new Vine Trust logo!

To enter, you need to recreate the new logo in a creative and innovative way.

You can use any materials or resources as part of your design. For example, you could use plasticine, leaves and sticks, or decorate a cake. The more creative you can be, the better!

Deadline: Tuesday 13th April

Entries: Email a photograph of you holding your design to homelearning.latchingdon@dcvst.org

There will be several prizes for runners up.
The winning entrant will receive a brand-new

Fire 7 Tablet!

These will be shared on the Vine Trust website.
