1 September 2021

Dear Parents and Carers,

Re: Plume Academy Open Events – 9 September to 21 October 21

I hope that you have all enjoyed a good start to the academic year and that your children are enjoying being back with their peers and teachers at school. It is also that time of year where you realise how quickly your children are growing up and secondary school is fast approaching!

We are very much looking forward to introducing our academy to you as a potential secondary school choice for you and your child. We are always hugely proud to hold our Open Events and we will be aiming to give you a feel for our ethos, key features and what to expect when you are a member of the Plume family.

We are continuing to ensure that we adhere to a number of crucial safety guidelines and this includes avoiding mass gatherings at our academy. Therefore, whilst we advise that you look at a variety of schools, we would be delighted if you would be able to join us virtually for our Open Evening and then in person for a socially distanced tours.

The virtual evening event will be held via Microsoft Teams on **Thursday 9 September, starting at 6pm**. The evening will involve parents and carers accessing the presentation via the link on our website, and this will then be followed by a live question and answer session.

The following week, commencing on Monday 13 September and continuing through to....., we will be encouraging families to book a tour of our Mill Road Campus where years' 7 and 8 are taught. The tours will allow you to see what goes on in a typical day and see first-hand evidence of how our students thrive in their learning environment. In order to book a tour, please contact our Mill Road Campus reception on 01621 879803.

We very much look forward to meeting you and your child in person.

Yours sincerely,

Ms Jo Everett
Assistant Vice Principal & Mill Road Campus Lead
